

WHERE SUMMER IS *Never Rushed*

Nothing says summer like slow days in Forsyth, Georgia. Picnic blankets on the grass, catching fireflies as the sun sets and melting ice cream from Scoops Ice Cream on sticky fingers. Explore the waterfalls at High Falls State Park or cast a line at Lake Juliette. Don't forget a stop at The Whistle Stop Café for a taste of Southern charm.

Hot days, starry nights and simple joys — Forsyth summers are made for memories that *last a lifetime.*
